CHILDREN ARE A GIFT FROM GOD!

At The Lutheran Academy we are committed to serving the students that God gives us. Sometimes God gives us students whose parents cannot afford some, or even any of their tuition. Just as Jesus does not withhold his love or give it based on our ability to “pay”, so we too do not discriminate based on the ability to pay. Our mission is to change lives and give opportunity for a child and family where it would not exist otherwise.

The “Adopt a Child” program has been implemented so that you, being blessed by the Lord both financially and spiritually, might share that blessing with others.

We often say that we cannot take anything to heaven with us. But in fact we can! We can take our children with us as we bring them to the waters of Holy Baptism and share and nurture the faith with them. Please “Adopt” a child at the Lutheran Academy! Know that you are helping bring the riches of heaven to “your” child!

NOTE: DUE TO PRIVACY ISSUES, WE CANNOT SPECIFY WHICH CHILD YOU WILL SPONSOR.
